

## Markets....Carefully Reported for The Tribune.

**ASHES.**—There is no change to note. Pots are 3.50 and 3.75¢ per lb. more for first rate; bars and Pearls are \$4. Sales 200 or 300 bbls.

**COTTON.**—The advice by the Great Britain has induced more business on the part of importers, but what have been made to day show no marked change. Freight-remittances are reported to have been made at 7.6d for a ton. A ship was taken up for Liverpool at 9.10 for flour.

**FLOUR AND MEAL.**—The letters by the Great Britain were not received in time to have much effect on the market.
